Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach nor fairly suggest a jamb bracket of a door closing system in the entire claimed combination, including at least one arm structure, a connecting segment, a basal, and at least one snap-off groove extending across the width of the basal, wherein at least one securing segment extends perpendicularly from the basal element in the opposite direction of the at least one arm structure, as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark A. Williams whose telephone number is (703) 305-3438. The examiner can normally be reached on Monday through Friday.
